“You Are The One You Have Been Waiting For”

Weekend Retreat with Diane Poole & Ellie Hyatt

Intimacy - is defined as “very familiar” and involves sharing of oneself. Many of us come to our Twelve Step programs not experiencing intimacy with anyone – let alone ourselves! Through the Steps, we embark on an intimate relationship with the God of our understanding, allowing us to trust and release old ideas that interfere with access to *Self*, our most precious human resource. We can then lead lives and engage in relationships that are centered, compassionate and loving. This weekend retreat will include presentation, reflection, prayer and meditation. The cost is **\$200** and includes room & board and program materials. Check-In is from 4:00 – 6:00 p.m. Friday; Check-Out following Lunch on Sunday. *(There is a \$50, non-refundable deposit to reserve a space for this weekend).*
