In partnership with The Retreat and SHE RECOVERS® Foundation, Women in Recovery is thrilled to host SHE RECOVERS Sharing Circles.

These community-based circles of support are intended to provide a welcoming and supportive atmosphere for women on all paths of recovery to join together and share their thoughts, feelings and experiences related to a specific topic that will be announced in advance. A trained SHE RECOVERS Certified Professional facilitator will guide every circle to ensure that all members of our community feel heard, seen and protected.

Our programming focus this year is:
**Nurture, Renew and Affirm
Our Bodies, Our Minds
and Our Spirits.**
